

## Bristol Spring Week in Applied Economics

Workshop on Economic Policy

May 09-10, 2024

### CALL FOR PAPERS

The Workshop on Economic Policy, organized by the [School of Economics at the University of Bristol](#), will take place on the 09<sup>th</sup> and 10<sup>th</sup> of May 2023 in Bristol (United Kingdom). The workshop provides the opportunity to discuss empirical policy evaluations from different sub-fields of applied microeconomics, including labor economics, health economics, public economics, and education economics. Furthermore, the workshop is a forum of exchange between international scholars and policy professionals.

We welcome submissions from all sub-fields of applied microeconomics. Papers that analyse the impact of the welfare state for inequalities across the life-course of individuals are particularly encouraged.

**Keynote speaker:** [Elira Kuka](#), George Washington University.
